Thank you Eagle Point Apartments (4401 & 4405 Morris St NE) for 20 Years of Partnership with APD in the Crime Free Multi-Housing Program!

A recognition plaque was presented to the property's community manager Audrey Guthrie for continuously fulfilling the program requirements and working closely with the APD Crime Prevention Specialist. The program requires an 8-hour APD training course for managers/landlords and any new members of the management team, a physical site inspection and adherence to the site requirements, administrative requirements regarding tenant selection and an annual crime prevention meeting. The program is free and voluntary and management is to work closely with APD's local team. Pictured is community manager and Foothills Crime Prevention Specialist.
